Company Information:

Weifang Kaixuan Kite Manufacture Co., Ltd. was founded in 2002 and is located in Weifang, a large Chinese city and the famous capital of beautiful kites. On 9186m² with excellent resources and with more than 100 employees using the latest, programmable laser cutting machines and production techniques, it is the largest kite factory in Weifang.

National and international import / export licenses are present and the plant has skipped the BSCI plant audit approved by SGS.With a worldwide customer base, all products have the required EN71-1-2-3, ASTM F963, PAHS test certificates and accreditations.

Weifang Kaixuan Kite Manufacture Co., Ltd. manufactures and sells exclusively airbanners, single skin kite, pilot, baby-octopus kites and children's kites, promotional kites, inflatable kites and show planes, licensed by Peter Lynn and Peter Lynn Kites Ltd.

Look forward to sincere cooperation with you.
