Photo of this power kite

A close-up photograph of a red fabric with a white loop. The loop is made of a white cord and is attached to the fabric. The fabric has a crinkled texture.

Strengthen Loop

A photograph of a colorful fabric with a white loop. The fabric is divided into sections of red, yellow, green, and white. The white loop is in the center, and the colors are arranged in a pattern that suggests a match or alignment.

***Good match for
left and right part***
